

IRENE GRIMES

Between being in five C.C.T. productions, and spending her summers in summer stock, Irene hangs around the Tibbits a great deal. And we are always happy to see her here!

JANIECE ADLER

This is Jan's first appearance with the C.C.T. as actress, although she has had experience working props on recent C.C.T. productions. C.C.T. says, welcome to the other side of the stage.

This is Cindy's second performance with C.C.T., last appearing as "Fleur Stein" in *And Miss Reardon Drinks A Little*. Elected as C.C.T. secretary this year she is "proud to work with such involved, talented and hard-working people".

THE DIRECTOR

Brian Dirschell is a talented "young man" indeed. Brian has been on the Tibbits stage for nearly a decade. In high school he displayed his considerable singing talent for summer stock audiences as "Freddy Eynsford-Hill" in *My Fair Lady* and "Annas" in *Jesus Christ Superstar*. He also had major roles in *Man of La Mancha* and *Anything Goes*. His more recent C.C.T. credits include "Mr. Wellman" in *The Girl In The Freudian Slip* and "Mort" in *California Suite*. But Brian has had a desire for that director's chair and it looks like he sits well there also. Congratulations.

TOM HARMON

Tom is making his second appearance in C.C.T. after having appeared in *California Suite*. His previous theatrical experience was in high school in *She Stoops To Conquer* and *A Christmas Carol*. Leisure time finds him cross country skiing, listening to rock music and pursuing an interest in photography.

KIM ROERIG

This is Kim's third C.C.T. production, her first appearance being that of a seventeen year old girl in *The Girl In The Freudian Slip* and the second in *California Suite*, where she had a silent but very important part. Kim has her BFA from Kent State University and we are happy to have her here.

MARTY CRAIG

She first appeared at Tibbits as "Karen Nash" in *Plaza Suite*. She has since been "Paula Maugham" in *The Girl In The Freudian Slip* and "Anna Reardon" in *And Miss Reardon Drinks A Little*.

Marty taught at the Coldwater Pre-School Nursery for 14 years and is now owner-manager of Craig Hallmark. We are always happy to see her on our stage.

MEL CARNAHAN

This is Mel's first appearance on the Tibbits stage. He attended Oklahoma City College and appeared in *Dark of The Moon* and *Time of Your Life*. He was most recently involved in the Westfield Community Theatre in Westfield, Indiana. Welcome aboard, Mel!

CHERYL SHELDON

Cheryl is appearing in her first C.C.T. production. Her previous acting experience has been as "Florence" in *The Curious Savage* and "Ethel Levy" in *George M!* It is our pleasure to have a new talent on our stage and we say welcome.

J. RICHARD COLBECK

A Tibbits regular having previously appeared in many CCT Productions, most recently having directed *California Suite*. J.R. also has appeared in many of the Theater's summer productions. A true veteran of the Tibbits we are most happy to have J.R.'s talents available to us. Incidentally, he was recently elected the new president of C.C.T.

BILL SHOOP

Bill is no newcomer to our stage. We first saw him in *Torchbearers*, followed by *Plaza Suite* and *California Suite*. He has also been involved off stage creating many of the beautiful sets of past productions. We are very happy to have his talents at our disposal.

JULIE SHOOP

Julie is also a veteran of our stage, having been actively involved in many facets of our productions. She has been most recently seen in *Night Watch* and *A Nice Place To Visit*. Both Julie and Bill find C.C.T. to be a real change of pace.

RON INGRAHAM

Ron worked in several plays and playlets through high school and at Michigan State University. His more recent credits include "Leo" in *The Matchmakers* with Twin City Players (St. Joe./Benton Harbor). This is his first appearance for C.C.T. Welcome.

JOYCE PICKERING

Joyce is a veteran of five C.C.T. productions, most recently "Norma" in *Plaza Suite*, then she changed hats and was the assistant director of *Night Watch* and *Girl In The Freudian Slip*. She was the co-director of C.C.T.'s latest offering, again by Neil Simon, *California Suite*. Joyce has appeared on stage in our summer stock productions. C.C.T. is fortunate to have this doubly talented lady!
